.

H+2

Leaving dressing room and restoration

NETTOYAGE COSTUMES

(À fournir à la costumière)

LAVAGE

1. Passer les costumes au karcher ou douche à jet fort à l'eau tiède.
2. Lavage en machine. Laver tous les costumes ensemble : vestes, pantalons, chemises, cravates, nappe blanche, tablier noir.

ATTENTION - Laver séparément la nappe rouge et la seule chemise blanche (sans les mélanger !!!)

3. Programme et température à respecter : faire un lavage à 30° le plus long possible au **SAVON NOIR LIQUIDE** + assouplissant + essorage délicat.
4. Vérifier si toutes les tâches sont bien parties si non répéter un deuxième lavage à 30° après avoir brossé les tâches avec du SAVON NOIR.

A NE SURTOUT PAS FAIRE :

Relaver les costumes propres avec les costumes sales.

NE PAS PASSER LES COSTUMES ET LES CRAVATES DANS LE SECHE LINGE !

REPASSAGE

1. Repasser tous les costumes, le tablier noir et les nappes.

Pour les chemises il suffit de bien repasser le col et le devant, sauf la seule chemise blanche qu'il faut repasser en entier.

Pour les PANTALONS FEMMES LES REPASSER AVEC LE PLI DEVANT.

TEMPS PREVU

2h de repassage

Minimum 4h de lavage
